If you are a new member, on receipt of your form you will be contacted by the Co-ordinator for your area who will arrange a mutually convenient appointment to visit you to discuss these services in more detail.

It is vital we have up to date information including contact telephone numbers in case of emergency as well as medication requirements. Please complete a separate form for each child if more than one child from your family will be attending playschemes and/or youth activities. Also enclosed is a **Permission Form** for children up to 12 years old for you to complete and return. If your child is under 12 years old please enclose a recent photograph of your child, including their name and date of birth on the reverse side. In order to meet the needs of our members and ensure their safety at all times we cannot accept any child or young person without an up to date **Membership Form**.
